

18.03.20

Hello parents/carers of my lovely Y4 class!

Here are a few personalised activities set for the children:

(If it is not possible to access the internet, Mr Woodward will be giving information regarding paper activity packs -to be posted if needed).

Purple Mash is a brilliant online resource that the children currently use in Computing sessions at school. I will give all children (who are in school today) their log ins. Most children will know it already, but I will send a text to those at home today with it anyway. Type in 'Purple Mash' in the google browser, and once on the website, it will ask you to find our school - type in our postcode SK13 8EF.

On Purple Mash, there are lots of resources but ask children to click the 'To do' tab. Mrs Southworth and I have set a Times table activity, a postcard from New York as well as a fact file from USA/New York. These activities link in with our 'Road Trip to the USA' topic and we have already researched New York in class.

If possible, log on to **TT Rockstars** where the children have their tables already set (according to what we have been learning at school). I will keep changing the tables accordingly. The children should all know their log ins/have had laminated log in cards sent home.

Twinkl is an educational resource website that is offering free access to parents for home learning. It has fantastic resources, some need to be printed, but there are lots of resources to download/access through word. 1. How do I sign up for the free month?

Step 1: Go to www.twinkl.co.uk/offer

Step 2: Enter the code you have received, or CVDTWINKLHELPS if you have not yet been given a code

Step 3: Share the offer code and website link with anyone who could benefit

Other good websites are Top Marks (great for Maths games) and **BBC Bitesize** (which has lots of English, Maths, Science, History and Geography resources).

The class love the game **Guardians: Defenders of Mathematica**.

The children also love the You tube channel '**Let's Do Math**'.

Sending lots of love to all of the children,

Miss Weir x
