

Maths

Here are some online resources to encourage your child to practice their number skills

- www.bbc.bitesize
- www.themathsfactor.com Carol Vorderman is offering free maths lessons
- www.ttrockstars.co.uk Times table practice at TT Rock Stars. The children have been given their log in details.
- www.topmarks.co.uk
- www.primarystarseducation.co.uk
- www.whiterosemaths.co.uk
- www.snappymaths.co.uk

Task 1

In Maths, we have been practising adding 2-digit numbers. We have been adding 10's and 1's. We have also learned how to use the written column method.

Practice adding using the column method.

- | | | |
|----------------------------------|----------------------------------|----------------------------------|
| 1. $12 + 14 = \underline{\quad}$ | 2. $23 + 26 = \underline{\quad}$ | 3. $44 + 32 = \underline{\quad}$ |
| 4. $53 + 15 = \underline{\quad}$ | 5. $37 + 32 = \underline{\quad}$ | 6. $62 + 31 = \underline{\quad}$ |

Some children were working on exchanging 1's for 10's. If your child would like to have a go

- | | | |
|---------------------------------|----------------------------------|----------------------------------|
| 1. $14 + 7 = \underline{\quad}$ | 2. $18 + 14 = \underline{\quad}$ | 3. $26 + 35 = \underline{\quad}$ |
|---------------------------------|----------------------------------|----------------------------------|

Please see the additional files 'Task 2' and 'Task 3'.

All of these tasks are optional. Please do not feel that you have to complete them all.
