

# Welcome to the **Light Club** page by Mrs Mackey

Hello again! This is the 2<sup>nd</sup> Light club page and I hope you enjoy it. Did you know it is Easter Sunday on 12<sup>th</sup> April? Here are some fun things you can do to learn about this important time for Christians (and there's other things too!).

There is so much here, you could come back to it every day!

## "The Seriously Surprising Story".

Order your free story booklet, watch the story, download the quiz and adventure trail.

This resource is from 'The Bible Society'. It was started because of the determination of a little girl, Mary Jones, to get a Bible of her own. Watch her story at:

## 'Guardians of Ancora'!

An amazing virtual world that 8 to 11 year-olds can enter, and a place where the Bible stories come alive.

Our vision is that, by 2020, 20 million children worldwide will have daily opportunities to discover Jesus and engage with the Bible through Guardians of Ancora.

Available for free from the App Store, Google Play and Amazon App Store.
