

02.04.20 Thursday

Happy Easter!

Hello Parents/carers and children.

I hope you are all well. I have enjoyed looking at the work that some of you have completed on purple mash. Thank you.

As we would have been breaking up for the Easter holidays on Friday here are some fun Easter ideas you can do together if you choose to.

- Make Easter nests <https://www.bbcgoodfood.com/recipes/shredded-wheatnests> or any other Easter baking (biscuits, mini cakes)
- Go on an Easter egg hunt
- Sing some Easter songs (go to [out of the ark.co.uk](http://outoftheark.co.uk) free resources to find the words and backing tracks)
- Design an Easter Egg (see template)
- Make an Easter card for a loved one that you won't be able to see over Easter.
- Make an Easter basket- either a paper one (template below) or one made out of craft materials.
- Decorate a Hard-boiled egg (Google has lots of amazing ideas of designs)
- Do some Easter colouring (see colouring sheets below)
- Do an Easter word search or crossword (see below)
- Draw or Paint an Easter or Spring picture
- Go on a spring nature hunt to see if there are any flowers growing or minibeasts around.
  - Try some Easter science. (experiments to try with eggs at home)  
<http://www.playdoughtoplato.com/cool-science-experiments/>  
or <http://funlearningforkids.com/easter-science-and-stem-activities-for-kids/>
- Create a 'natural materials cross' (see an idea/instructions below)

Mr Woodward has also put lots of Easter fun activities on the website - **Home learning - Easter activities** if you want to be kept busy!

If you like music and singing there are some good ideas on the **Home learning by subject Music** section of the website. Young voices are doing live streams which are great fun to watch and sing along to.

Please remember that all of these activities are just for fun and you are not expected to do them all or even any. If you do though please send pictures to the school email address so I can see all the fun that you've been up to.

Remember to keep moving and exercising as much as you can and stay happy and positive.

I'm missing you all lots and wishing you a very Happy Easter!

Mrs Collins
