

Hello Super Sunflower Class,

I hope you have had a nice week and enjoyed doing some of the activities. Thank you so much to those of you who have emailed pictures to school, it's so lovely to see you enjoying yourselves and your smiley faces! Keep them coming! ☺

The department of education have funded the creation of an online learning portal called 'Oak Academy Trust' which they are recommending schools and parents follow to support home learning. There is a Maths, English and Foundation subject lesson planned for each day. If you would like to access this portal please follow the link below:

<https://www.thenational.academy/online-classroom/year-1/#schedule>

This link should hopefully take you straight to the Year 1 daily lessons section/schedule.

Alternatively you can follow the link below which allows you to select which subjects you'd like to focus on:

<https://www.thenational.academy/online-classroom/year-1/#subjects>

I have also provided some additional/alternative ideas which I think you'd enjoy but please do not feel pressured to do everything. Just do what you can. This is an extremely difficult time for us all and your well-being is the most important thing to me!

Stay safe, look after each other and try and make the most of this time together.

Miss you all!

Love, Mrs Heys xxxx
