

## Busy Bees' Book Club!

You are now officially a member of a book club for wonderful readers!

- 1) **Please make a poster for the club.** Use plain paper (or I have some bee- themed paper on my class page to print off). Make it bright and colourful - include any pictures/information about your favourite books - and display it during your recording.

- 2) **Choose a favourite book.** If it's a short story, read it all! If it's a longer story, (David Walliams book for example) choose your favourite part.

- 3) **Record yourself reading the book as a story/bedtime story to a classmate.** Record yourself doing actions or using funny voices. You could even create a mini drama piece/actions as you read.

- 4) **Attach the video to an email to school and send them in to be put on the website!**

- 5) **Create a rainbow picture to hide in a spot as you record.** That way, your friends can have fun spotting the rainbow!
