

Dear Cornflowers and Parents

I hope you are well and you had a good weekend. If you haven't done so already, try and have a look at the PowerPoint I posted on ordering fractions.

You should be ready to look at adding fractions, and there are some videos and activities on the Corbett maths website which explain it well.

<https://corbettmathsprimary.com/>

Here's the link.

<https://corbettmathsprimary.com/2018/07/16/adding-fractions-1-video/>

After that, you should be able to start adding fractions with different denominators.

<https://corbettmathsprimary.com/2018/07/16/adding-fractions-2-video/>

There are activities to go with both of these videos.

Don't forget to keep using the 5-a- day activities on the site.

I will post some more maths challenges and reading activities soon as well.

Take care

Mr Doyle
