

Hello Poppy Class

How are you all doing? I hope you have been enjoying the lovely sunshine. It has been really nice to receive emails from you, telling me what you have been up to and how you are. If you would like to write me a letter or send me pictures, please use the class email address poppy@st-james.derbyshire.sch.uk ☺

I hope you have enjoyed doing some of the tasks on our class page. I can see a few of you have been doing the activities on 'Purple Mash'. Well done! I really enjoy looking at your completed tasks ☺

I have set some '2 do' tasks for you on Purple Mash, such as Phonics, Art, Maths, English, Music and topic tasks. These tasks are short and you should only need a little help completing them.

The 'Oak National Academy' is proving to be very popular with some of our parents. You can choose to follow a scheme of lessons or you can drop in and out, as time allows. This is a free resource www.thenational.academy They have also introduced a PE section, with links to Joe Wicks PE lessons. These are great fun for all the family!

I have prepared a table of activities / lessons you may want to complete with your child. Some activities are linked to the Oak National Academy, and some are tasks I thought the children may enjoy.

Please remember to keep reading, keep active and keep smiling ☺

Love From
Mrs Fletcher ☺
