

Famous French people

Activity: Research a famous French person.

Choose a famous French person you would like to know more about.

It can be for example someone famous in sport, somebody from history, an artist. You can choose who you want, as long as it is a French person.

Write a fact sheet about this person. Think about the lay-out you want to use.

Try to include the following details:

- Date of birth (and is your person still alive?)
- Where was this person born?
- Why is this person famous?
- Find some interesting facts about this person
- Why did you choose this person?
- Imagine you could ask this person a question. What would you ask them? What do you think the answer to this question can be?

Draw a picture or add some photos to your research.

I am looking forward to read the factsheets you make.

Good luck and enjoy.
