

Thursday 23rd April

Today is all about animals that bounce, hop, roll, jump and leap. Follow the link to watch a short clip showing different ways animals move.

<https://www.bbc.co.uk/programmes/p011n22p>

Can you think of any other animals that hop, roll, jump or leap. You could research amazing bouncing and jumping animals on the internet. Try researching rockhopper penguins, fleas, leaping lemurs and springbok.

<https://www.bbc.co.uk/programmes/p0144x7b>

Look at the way the animal moves and try to recreate the animal movements.

Play guess the animal. Move like an animal and see if an adult or sibling can guess what animal you are.

Spellings

We are going to learn 'i' sound spelt 'y'

dry

cry

try

reply

why

What do you notice about where that sound appears in all of the words?

Practise spelling these words and see if you can put them into a sentence.
