

## Wednesday 22nd April

Today we would like you to play simple target games, counting how many balls you can get in a bucket, inside a hoop or over a line. Try with different types of ball if you have them. You could record your scores and try beating it or challenge a member of your family!

### Reading

It is really important that you continue to read as much as you can.

When reading look at the front cover of the book, what do you think the story is going to be about? When reading, try to identify the main characters and make suggestions for what might happen next. Choose a page and see how many adjectives you can find. Look for punctuation such as full stops, exclamation marks, apostrophes and explain why they have been used.

Activity- We would like you to design a new front cover for your favourite book. Think about the characters in the story and remember to make the title bold and easy to read.
