

## Y4 Spelling!

It is important we keep up our good work with spellings! If you hear/think of a tricky word, (and are unsure how to spell it) write the word out three times - which one looks right?

**On Purple Mash, we have set you 10 spellings per week.** This will start on the Monday 20th April and finish on Monday 18th May (to last all the way through the half term. **If you would prefer to have the spellings each week as a word document (or finding it trickier to log on to Purple Mash) then there is a separate document on the class page which this week's spellings.**

Please try to complete the spellings each week as they fit with the Y4 spelling lists we would have been completing in school.

### **Hints and tips!**
