mammal omnivore organism

parasite pellet predator

prey producer reptile scavenger

skeleton species terrestrial

vasculature venomous xylem

The image features a grid of biological terms. Each term is centered in a row. The words are: mammal, omnivore, organism, parasite, pellet, predator, prey, producer, reptile, scavenger, skeleton, species, terrestrial, vasculature, venomous, and xylem. The grid is surrounded by illustrations of tigers and eagles. There are 10 tigers and 10 eagles scattered around the text. The tigers are shown in various poses, some standing and some walking. The eagles are shown in flight, with their wings spread. The background is white, and the entire grid is enclosed in a black border.
