

Activities for Monday 1st June onwards.

Hello my wonderful class!

I hope you have had a good half term in the sunshine!

Thank you for the emails. I still enjoy hearing about what you have been doing at home.

Next week, both Mrs Collins and I would have been starting the new topic Blue Abyss! It is all about the oceans of the world. Please see the parent's information sheet attached and the key fact sheet (knowledge organiser).

Mrs Collins has found some brilliant 'Blue Abyss' themed activities, which she has kindly shared with our class. As always, please only do what you can.

Still continue to feel free to email

violets@st-james.derbyshire.sch.uk

I miss your smiling faces so much!

Love, Miss W xx

Maths update!

Look at <https://whiterosemaths.com/homelearning> or BBC bitesize

White Rose have some fantastic learning which fit directly into what we would be doing at school. Try another year group if Y4 is too challenging. In the plan below, I have mixed these activities with others to continue what we did before half term.

Monday 1st June

Writing

Watch an episode of **Blue Planet** (or any other ocean themed documentary). Describe one of the sea creatures, and how it looks, moves, sounds etc. Please send you writing to the class email if you can! Some children have even sent pictures of their work attached to the email!

Maths

Try Monday's daily 5 questions (Bronze challenge)and/or log on to TT rockstars for 20 minutes.

Oak academy have some good maths lessons and activities daily that you might like to try.<https://www.thenational.academy/online-classroom/year-4/#subjects>

Blue Abyss Topic Tasks

Do you know all the names of the oceans of the world? Look at the map attached and label all the Oceans. Sing the song to help you remember: <https://www.youtube.com/watch?v=X6BE4VcYngQ>

Look at the work about the **different Ocean layers**. There are 4 layers and different animals and plants live in each according to the conditions. Can you draw or cut and stick the animals or plants which live in each layer?

There are 3 versions - choose which you'd like to try according to the number of stars.

Tuesday 2nd June

Spelling

Look at the class page as there are **10 new spellings this week**. They are based on plural apostrophes.

Helpful Youtube video

Google - Punctuation: Using apostrophes to show singular & plural possession (KS2)

or click the link

<https://www.youtube.com/watch?v=zNFPnVz7JB4>

The spellings this week are tricky - so choose (at least) 3 to focus on if needed.

Maths

1) Please log on to Purple Mash and look at the 2Do list for the **Multiplication quizzes** Mrs Southworth has set **or** do Tuesday's Bronze daily 5 questions.

As we did formal multiplication before half term...

Google **Divide a 2-digit number by a 1-digit number Y4 BBC** or click the link below for videos and worksheets (which can be read off of the screen).

<https://www.bbc.co.uk/bitesize/articles/znfj7nb>

Extra challenge - Google **Divide a 4-digit number by a 1-digit number Y4 BBC**

<https://www.bbc.co.uk/bitesize/articles/zmcpscw>

Wednesday 3rd June

English

Reading Comprehension activity see attached activity on The Oceans of the world.

Read and answer the questions. Look at the stars. 1 star is the easiest, 3 stars is the trickiest, choose which is most suitable for you. The answers are also attached so you can mark your own work, or ask someone at home to mark it for you!

There is also a lovely colourful powerpoint to look at if you can all about the World's Oceans.

Art

Draw a picture of a creature in the ocean!

Google

How to Draw Sea Creatures Compilation | Learning Colouring Pages for Kids

or click this link <https://www.youtube.com/watch?v=599Ctm4vxBO>

Maths

Do Wednesday's Bronze daily 5 questions.

Look at the **Fraction wall (revision tool)** on the class page.

Access

<https://whiterosemaths.com/homelearning/year-4/>

It will be based on fractions (which we also covered just before we left in March). There you will find worksheets, videos and powerpoints.

Too challenging? Try the **adding and subtracting task** on the class page. No peeking! The answers are attached.

Thursday 4th June

Maths

Do Thursday's Bronze daily 5 questions.

Continuing practising fraction work on **Top Marks!**

<https://www.topmarks.co.uk/maths-games/7-11-years/fractions-and-decimals>

Music

Go to <https://www.outoftheark.co.uk/ootam-at-home/> to sing along to some fun songs or

www.derbyshiremusicclub.org.uk/get-involved/music-at-home/junior/week-8.aspx

There are some great music activities involving cup patterns and typewriter music.

Don't forget to keep practising the power in me song for the power in me challenge on June 2nd at 2.30pm.

<https://www.youngvoices.co.uk/powerinme/>

Remember to sing along! Take a photo or video of yourself if you can and send it to Mr Woodward or Mrs Collins and they'll put them on the website!

Reading

Bored of the books at home? Ask a family member to sign you up (for free) at Oxford Owl e books online

Busy Bee's book club

Can you find an ocean themed story or non-fiction book? Ask someone to record you reading a story (or part of a favourite story), and send it in to

violets@st-james.derbyshire.sch.uk

Friday 5th June

PE

Watch today's Joe Wickes on Youtube - **PE with Joe!**

Go on a walk with a family member. Write down where you've been in an email to me! Or try Cosmic Kids Yoga 'Squish the Fish' on Youtube!

Maths/Spelling Punctuation and Grammar (SPAG)

Do Friday's Bronze daily 5 questions.

Log on to TT Rockstars for 20 minutes (at least).

Check out the 2Do list activities on Purple Mash

Have you completed most of the activities on the list? Mrs Southworth and I love seeing your work.
