

Week beg: 25.05.2020 activities

Log on to Purple mash and complete the Dinosaur 2dos that I have set.

2do: Dinosaur Pairing Activity 2, 2do: Dinosaur,

2do: Dinosaur Labelling Activity,

2do: Dinosaur Drag Activity,

<https://www.purplemash.com/sch/stjamesk13>

Email me for your log in details if you can't find them in your red homework book.

Watch Deadly Dinosaurs

<https://www.bbc.co.uk/cbbc/shows/deadly-dinosaurs>

or Andy's Dinosaur adventure

<https://www.bbc.co.uk/cbeebies/shows/andys-dinosaur-adventures>

Can you predict and test if objects are going to sink or float and then carry out the experiment. All you need is some objects and a bowl of water. See the experiment below:

<https://www.pbs.org/parents/crafts-and-experiments/sink-or-float-experiment>

Log on to Purple mash and complete the Maths 2dos that I have set.

2do: Recall Game, 2do: Musical Chairs Game.

Email me for your log in

details if you can't find them in your red homework book.

Can you build a den inside or outside?

You could use blankets, cushions, chairs, washing lines, sticks, poles, ropes... just whatever you can get your hands on.

Can you track your shadows throughout the day to see if the position of the sun changes? Use chalk to draw around your shadow or the shadow of an object and go back at different times of the day to see if the shadow has changed.

Can you track your shadows throughout the day to see if the position of the sun changes? Use chalk to draw around your shadow or the shadow of an object and go back at different times of the day to see if the shadow has changed.

Or here is a link to lots of things you can do with your shadows:

<https://www.science-sparks.com/shadow-activity-ideas/>

Log on to Purple mash and complete the Art 2dos that I have set.

2do: My Face, 2do: 2Paint, 2do: 2Paint

A Picture <https://www.purplemash.com/sch/stjamesk13>

Email me for your log in details if you can't find them in your red homework book.

Create a video or take a picture of

you doing something fun (reading, role playing, showing me something, acting something out, climbing a tree, playing a game, playing football etc) and email it me so I can see how amazing you are doing!

Can you blow up a balloon without using your mouth or a pump? Try this experiment where you use a bottle to blow up a balloon.
