

Hello again my super sunflowers,

I hope you are all staying safe and being lovely and well behaved for your family! Thank you again for all your emails, they have really cheered me up and put a BIG smile on my face! Keep them coming and I'll be sure to email you back. The email address is: sunflower@st-james.derbyshire.sch.uk . I have also passed on your emails to Miss Woods who has really enjoyed seeing what you are up to and wants me to tell you all how much she is missing you and hopes you are staying safe and well.

I hope you enjoyed learning all about Dinosaurs last week. I have created a new grid of some ideas to do this week, keep using the resources like the Ebook and Powerpoint from last week to help you with your learning.

Myself and Mrs Southworth have been checking Purple Mash and it's been lovely to see some of things you've created. Keep using Purple Mash as it is a brilliant resource for lots of subjects! Your log in details should be in your red homework books. If not, email me and I can give you your log in.

Continue to practice your reading and get your family to ask you questions about the book. I can't wait to you all read again, I bet you've come on so much!

Also, please continue to practice phase 3 and 5 phonics sounds, there are lots of free apps and websites you can use. One we use at school a lot is phonicsplay. We also watch Geraldine the Giraffe on Youtube to help us with our sounds as well Alphablocks on Cbeebies or Youtube ☺

For Maths please continue to look at <https://www.thenational.academy/online-classroom/year-1/maths#subjects> for lessons and activities.

Stay safe, missing you all so much!
Lots of love and hugs, Mrs Heys xxxx
