

28.05.20 Thursday

Hello my Honeysuckles,

I hope you have had a lovely half term break and have enjoyed all this lovely sunshine. I certainly have!

I have been walking in different places and watching the lambs and calves grow.

My garden is getting much tidier and my first yellow rose has bloomed.

Our sunflowers, tomatoes and cucumbers are growing and we have been lucky enough to have some barbeques too!

Thank you for the emails. I still enjoy hearing about what you have been doing at home. It's lovely to see a lot of you growing plants at home.

Thank you for the super science quizzes. I hope some of you have had a go at them. They are on Mrs Collins' class page under Pupils Work.

If you haven't done one and would like to have a go you can send it me. It's not too late!

I'm hoping to see you soon but for now here are some....

Activities for Next Week Summer 6 week beginning 01.06.20

We would have been starting our new topic Blue Abyss all about the oceans of the world.

**Please see the parent's information sheet attached and the key fact sheet.
(knowledge organiser)**

I think I am going to learn a lot from this topic!

I know we are unable to do lot of the activities mentioned but I will add some topic work suggestions each week

These are some suggestions for next week:

- **Reading** - Please keep reading - books, magazines, dictionaries, atlases, etc (in fact anything that you're interested in) Count how many pages you can read in a week. How tall can you make your lockdown book pile?
- **Comprehension activity** see attached activity on The Oceans of the world. Read and answer the questions. Look at the stars. 1 star is the easiest, 3 stars is the trickiest, choose which is most suitable for you. Mark your own work as the answers are attached.

There is also a lovely colourful powerpoint to look at if you can all about the World's Oceans

Topic Tasks

- **1. Do you know all the names of the oceans of the world? Look at the map attached and label all the Oceans. Sing the song to help you remember:**
<https://www.youtube.com/watch?v=X6BE4VcYngQ>
- **2. Look at the work about the different Ocean layers. There are 4 layers and different animals and plants live in each according to the conditions. Can you draw or cut and stick the animals or plants which live in each layer?**
There are 3 versions - choose which you'd like to try according to the number of stars.
3. Challenge. Look at the sea creature pictures attached. Can you sort them into different groups? -Are they mammals, fish, echinoderm, reptiles, crustacean, mollusc or cnidarian?
Jot down the names of the creatures in each group. Display your information how you like.
You may want to sort them in different ways too. Which are carnivores, omnivores, herbivores? Or you could sort them according to where they live.
- **Topic activities on purple mash**
I have added a 2do on purple mash that you can have a go at.
It's an art activity drawing a sea creature
- **Maths - look at <https://whiterosemaths.com/homelearning>**
White Rose have some fantastic learning which fit directly into what we would be doing at school. If you need a challenge try the year 5 work.
I have attached the year 4 and 5 worksheets for this week with answers included.
There are more activities linked with the objectives on bbc bitesize.
Keep practising your timetables with ttrackstars and try www.corbettmathsprimary.com/5-a-day Find the day and try bronze, silver or gold according to how much challenge you'd like!
Oak academy have some good maths lessons and activities daily that you might like to try. <https://www.thenational.academy/online-classroom/year-4/#subjects>
- **Spelling - if you have your spelling journals at home keep practising the words from your personal lists stuck in your books.**
There are some more spellings to practise on purple mash (see your 2dos) I will also attach a copy on to the class page. Summer 2 wk 1
SPAG I have a new Spag 2do on that you can have a go at if you'd like based on adverbs and degrees of possibility
- **P.E - Keep tuning into Joe Wicks P.E sessions on youtube at 9am daily and do as much as you can of the workouts**
or keep being active in any way you can. Daily walks are great!
- **Art - Look at the sea creature pictures I've attached. Can you have a go at drawing one or two? You can use any media. Collage, pens, crayons etc.**

- **Music** – go to <https://www.outoftheark.co.uk/ootam-at-home/> to sing along to some fun songs or www.derbyshiremusicclub.org.uk/get-involved/music-at-home/junior/week-8.aspx
There are some great music activities involving cup patterns and typewriter music
- Don't forget to keep practising the power in me song for the power in me challenge on June 2nd at 2.30pm. <https://www.youngvoices.co.uk/powerinme/>

Remember to sing along! Take a photo or video of yourself if you can and send it to Mr Woodward or Mrs Collins and we'll put them on the website!

Extras

*If you'd like to try even more English work go to <https://www.thenational.academy/online-classroom/year-4/english/#subjects> for some good English online lessons or for year 5 go to <https://www.thenational.academy/online-classroom/year-5/english/#subjects> for online lessons

***I have also found this website**

<https://themumeducates.com/resources/year-4/> which has some good English and maths free activity sheets for daily practise. I have attached 5 more (one for each day) or you can explore the website and have a look if there's anything else you fancy doing.

They are quite challenging so don't worry if you're struggling. Just have a go at them if you like.

*If you like working on **purple mash** you can have a go at doing the daily activities.

Choose **weekly activities** (on the left hand side of the screen in the features section)

Go to **Daily activities 7-9 in green**

Try **week 7**. There are reading, writing, maths and topic activities to complete on each day Monday - Friday

Again, if you want to email me and show and / or tell me about what you have been doing you would be most welcome.

As always, don't forget to stay happy, be kind and have fun.

I'm still missing you all, take care.

I will write again next week.

Mrs Collins.
