

**Thursday 14<sup>th</sup> May**

**Make a musical instrument.**

Have a look at home for items you can use to make a musical instrument. See examples below. If it is ok with your grown up, ask if you can play it at 8 o'clock for clap for carers. We would love to see a photo of you playing your musical instrument!

**Story**

Today we would like you to finish writing your story and check over it to make sure that it makes sense. Now that your story is finished you can illustrate it. Draw a picture and give it a title or draw a sequence of pictures to tell the story.

**Spellings**

Adding the ending '-y' to words ending in '-e' with a consonant before it

The 'e' is taken away when you add the 'y'

shine

scare

smoke

bone

stone

shake

Write these words adding y and include them in sentences. Can you include any of these words in your story?
