

Tuesday 12th may

Musical instruments

Continuing with our musical theme, what objects can you find at home that make a sound? Do you have an instrument that you can play? Practice playing different instruments and if you would like to, you could hum a little tune or sing a song. Remember to ask for permission before you use anything!

Writing activity

Today you are going to make a story plan. Use your mind map ideas to help. Think about what characters are going to be in your story, where it is going to take place, what will happen at the beginning, middle and end and any key words you would like to include.

See attached story map A and C to give an idea on how to set it out.
