

It's nearly time to say **“Goodbye Year 6!”**

But not yet! Even though this school year has not turned out the way we imagined, we want you still to have the fab send-off you deserve!

A brilliant send-off for a truly brilliant group of Year 6 people!

Anyway, we've had an idea!

Things are very different now, so we had a different idea from usual (we can discuss a party and t-shirts to sign when social distancing is lifted). We were thinking of something we can do now. So what better way to remember your times at Whitfield St. James' Primary School than to make a Leavers Yearbook?

It would have photos, mini-biographies, personal messages and memories from all of you and the staff who have had the pleasure of working with you. It is something which will make you smile when you are old and grey and something to treasure forever.

What do you need to do?

Please will you write a paragraph about yourself, about 60-80 words, including your best memories, things you like to do and messages for your friends. Keep reading, as below are two pages of examples you can look at for ideas. When you are happy with your work and, ask your parent to email your **paragraph** and a **picture** of yourself in school uniform to thistle@st-james.derbyshire.sch.uk by 3rd June 2020.

Can't wait to read your entries!

Thank you.

Our Class

JANE BLOGGGS

My time at this school has been great. My favourite parts were Beam House, AirHop and the Lyme Regis trip in Year 4. I am proud to have been chosen for most sporting competitions. I will be sad to see my friends go off to different secondary schools. I will miss this school.

Future Career: Palaeontologist

JANE BLOGGGS

I have enjoyed my time at St. Nicholas and I am looking forward to secondary school. I enjoyed AirHop. I also enjoyed Beam House; especially the quad bikes, high ropes and mud challenge. I wish everybody the best of luck in the future.

Future Career: Puppy and dog trainer

JOE BLOGGGS

I have really enjoyed the sporting events that I have taken part in for the school. It has been a privilege. I also enjoyed staying at Beam House because it was an amazing experience and I did all of the activities. Not to forget - I also enjoyed the trip to Air Hop, the Christmas party and the session on life skills.

Future Career: Professional football player

JANE BLOGGGS

One of my favourite memories of being at this school was when, after we had finished SATS, we went to AirHop as a reward. I thought that it was going to be really busy but when we got there we had the place to ourselves. I really enjoyed fighting Jane on the Battle Beams. At the end, we both ended up falling off into the pit. It was so fun!

Future Career: Bath Dance College Student

Name: Joe Bloggs

Favourite subject:

Maths because I am good at it.

Things I like to do: I like to play football and play on my console (PS4)

When I grow up I want to be:

A footballer because it is my dream.

My favourite memory from School:

Is when Siddarth made jokes in lunchtime!

A message to my friends: I will miss you and I will remember you no matter what!!

Name: Jane Bloggs

Favourite subject: Art and P.E

Things I like to do: Play with my friends, play on my phone and playing with my puppy.

When I grow up I want to be: Look after pets.

My favourite memory from School: When we went to see The Lion King.

A message to my friends: Dear Friends, I wish you all the best in your learning and good luck with everything. I will miss you all.
