<b>Purple Mash</b>	<b>Music</b>	Recap from last week: In music, what is the pulse? What is a rhythm? Did you try out the heart rap over a steady pulse? Could you write a simple rap, maybe about your new school etc.? Remember how music can be emotive (we explored this two weeks ago in music lesson).  Use the tool "2Beat" on your Purple Mash '2Dos' to compose a percussion backing track for your rap or the heart rap from last week.
	<b>High School</b>	While you are thinking about going up to high school, why not do some of the fantastic new activities on Purple Mash, made especially for you at this time of leaving primary school. Your creations can be saved and/or printed out to keep as keepsakes, so you can look back at them when you are old and grey! There's a pdf about them on the website from last week.
