

Dear Bluebell Class,

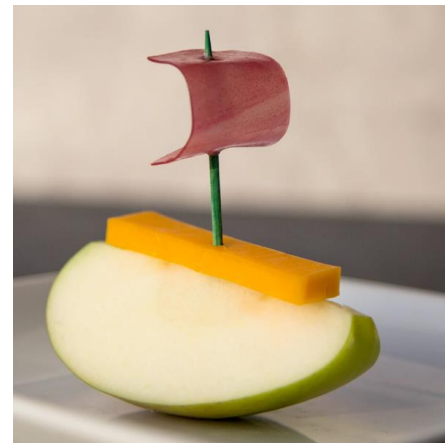

Week commencing 22nd June 2020

Hello everyone!

The challenges for this week focus on "an under the sea adventure" and we are sure you are going to have lots of fun completing them.

We have loved seeing your caterpillar snack pictures - what a fabulous way to practise using a table knife safely. This week can you make a boat snack? Here are some ideas but be as creative as you can!

We have included a challenge all about World Environment Day and we really look forward to seeing some photographs of what you have been up to either by email or on EExAT.

Mrs Allan and Miss Taylor have been busy in school working with some of the key worker children, when the weather has been good we have really enjoyed spending time outside in the fresh air. What have you been doing? Can you send us an email to tell us?

How tall are your sunflowers now? Do keep us updated.

Please find attached on the next page a list of useful websites - we have tried to collate the websites we have been referring to during the last few months onto one useful list!

Take care and stay safe.

Mrs Allan and Miss Taylor
