# Weekly activities!

# Starting Monday 15th June

Hello my fantastic Y4 class!

I have been at school this week with Mrs Rimmer, and we have been teaching a group of children whose parents are key workers. Mrs Collins has sent some wonderful activities to do with the Blue Abyss topic! See topic tasks below. Mrs Southworth has said that she is very proud of your amazing work on Purple Mash. Please keep logging on as much as you can! As I write this, we have just given Mr Doyle a cake for his birthday! Please continue to use these online learning resources.

- 1. Oak National Academy
- 2. White Rose Home Learning
- 3. BBC Bitesize

Still continue to feel free to email if you have any questions, or any work is too difficult for some. I have been sent some amazing work this week, including menus fit for a sea creature!! <u>violets@st-james.derbyshire.sch.uk</u>

I miss you all very much!

Lots of love, Miss W xx

# Monday 15th June

## <u>Reading activity</u>

Deep sea explorers.

Read and answer the questions. Look at the stars. 1 star is the easiest, 3 stars is the trickiest, choose which is most suitable for you. Mark your own work as the answers are attached.

Worksheet

Monday's daily 5 questions (Bronze challenge)

Then, I would like you to watch this video (no more written work needed).

https://whiterosemaths.com/homelearning/year-4/

Go to White Rose Home Learning Y4 (wb 8<sup>th</sup> June lesson 4). Look at the video 'Divide 1 - or 2-digits by 100'.

**Still unsure?** There are some excellent videos to watch on BBC Bitesize. Click the link

https://www.bbc.co.uk/bitesize/articles/z4dmhg8

# PE

Try the Sea Creature PE workout! See this on the class page.

# <u>Tuesday 16th June</u>

# <u>Maths</u>

1) Do Tuesday's Bronze daily 5 questions.

2) Check out this week's home learning on White Rose.

https://whiterosemaths.com/homelearning/year-4/

If you have time, look at Lesson 1 and 2 videos - Write decimals/Compare decimals (week beginning 15<sup>th</sup> June).

Then try the activity Compare decimal numbers p.1 (on the class page). Remember....the greedy crocodile eats the larger number!!

### 0.2 < 0.7

**Too tricky?** Try Top Marks - Fractions and Decimals games. Scroll down to compare decimals.

<u>https://www.topmarks.co.uk/maths-games/7-11-years/fractions-</u> <u>and-decimals</u>

### <u>Spelling</u>

Look at the class page as there are **10 new spellings this week** (Y4 Summer 2 Week 3). They are also based on apostrophes. If you find the spellings challenging, choose (at least) 3 to focus on.

# <u>Music</u>

**Go to** <u>https://www.outoftheark.co.uk/ootam-at-home/</u> to sing along to some fun songs or

www.derbyshiremusichub.org.uk/get-involved/music-athome/junior/week-11.aspx

There are some great music activities involving rhythms and singing.

# Wednesday 17th June

#### **Reading**

Try the **Plastic Pollution 60 Second read!** Answer the questions (then check the answers on p.2).

**Blue Abyss Topic** 

1) Look at the BBC teach Blue planet power point. The power point is linked to a BBC teach live lesson all about the blue planet. Go through the power point and watch the lesson. I have attached 3 activities to go with the lesson.

2) There is also a lovely art activity linked with the lesson and power point. You need to design a recycled plastic public art sculpture. There are some ideas on the power point. You could even have a go at creating it at home if you can.

## <u>Maths</u>

1) Please log on to Purple Mash and look at the 2Do list for the **Multiplication quizzes** Mrs Southworth has set **or** do Wednesday's Bronze daily 5 questions.

## 2) Ordering decimals challenge!

Try this (answers on the next page). If this is too tricky, try the other ordering decimals task on the class page.

# Thursday 18th June

## <u>Maths</u>

1) Do Thursday's Bronze daily 5 questions.

2) Rounding decimals task - do question 1-5 (more if you like). Answers to page 1 are on page 5.

Too tricky? Click through the Lesson Presentation - Rounding decimals explanation (on the class page).

## <mark>English</mark>

Try the Under the Sea Record Breakers Task! Can you fit the words in to the correct places? See the class page.

### Blue Abyss Topic Task

Learn all about **Plastic in the World's Oceans**. See attached newspaper report and 60 seconds reading activity. Read the report and answer questions. Have you learned anything new?

# Friday 19<sup>th</sup> June

### <u>Art</u>

If you haven't already, can you have a go at designing (and making) a recycled plastic art sculpture? (Linked with the Blue planet BBC lesson and powerpoint).

Maths/Spelling Punctuation and Grammar (SPAG)

Do Friday's Bronze daily 5 questions.

Log on to TT Rockstars for 20 minutes (at least).

Check out the 2Do list activities on Purple Mash

Have you completed most of the activities on the list? Mrs Southworth and I always enjoy seeing your work.

## <mark>Extra task….</mark>

Can you write a story? It can be based on anything you love, or the Blue Abyss Topic. Send your work as a word document (if you are typing it), or take a picture of your written work. I love to see you work on email.
