Activities for week beginning

Monday 8th June

Hello my brilliant Y4s!

I have been working back at our school this week with Key Workers' children!

On Tuesday, we sang the 'The Power in Me' song at 2.30 pm. We all sang in the sunshine, and stood in the playground. If you have any pictures or video clips please send them to Mr Woodward, or Mrs Collins and they'll put them on the website.

We are one week into the new topic, Blue Abyss! It is all about the oceans of the world. Mrs Collins has found some wonderful 'Blue Abyss' themed activities, which she has kindly shared. Please, only do what you can and make use of other resources such as:

- Oak National Academy
- White Rose Home Learning
- BBC Bitesize

Still continue to feel free to email if you have any questions (or just to tell me how you are) ©!!

violets@st-james.derbyshire.sch.uk

I miss you all very much!

Love, Miss W xx

Monday 8th June

<u>Spelling</u>

Look at the class page as there are **10 new spellings this week** (Y4 Summer 2 Week 2). They are also based on apostrophes. If you find the spellings challenging, choose (at least) 3 to focus on.

<u>Maths</u>

1) Try Monday's daily 5 questions (Bronze challenge) and/or log on to TT rockstars for 20 minutes.

2) Crack the codes! There is fun **Under the Sea Activity** on the class page. You should be able to do this independently to get your brains fired up for the week!

<u>Blue Abyss Topic Tasks</u>

Can you find out about The Great Barrier Reef?

Use the links below and create a poster or information page using pictures, headings, subheadings.

<u>http://www.sciencekids.co.nz/sciencefacts/earth/greatbarrierreef.</u> <u>html</u>

<u>https://video.nationalgeographic.com/video/oceans-narrated-by-</u> <u>sylvia-earle/oceans-barrier-reef</u>

http://attenboroughsreef.com/.

Tuesday 9th June

Punctuation

Re-cap last week's spellings on singular or plural **possessive apostrophes** with the sheet on the class page. Answers are attached on the last page (no peeking)!! There are quite a few tasks to choose from.

<mark>Maths</mark>

1) Please log on to Purple Mash and look at the 2Do list for the **Multiplication quizzes** Mrs Southworth has set **or** do Tuesday's Bronze daily 5 questions.

2) Look at the decimals place value (revision tool) on the class page.

Next, click through the lesson presentation tenths and hundredths.

Want an extra challenge? Try Match it! Match the decimals to fractions (one page activity with answers on the second page).

<u>Blue Abyss Topic Tasks</u>

Can you make an oceanic food chain? Which animal would be at the top of the food chain? See the attached power point and activity. How many food chains can you make from the pictures? Draw or write the different food chains you make.

Wednesday 10th June

<mark>English</mark>

Reading Comprehension activity see attached activity on Ocean Layers. Read and answer the questions. Look at the stars. 1 star is

the easiest, 3 stars is the trickiest, choose which is most suitable for you. The answers are also attached (no peeking).

French

Try this activity based on Clothes and Food! https://www.bbc.co.uk/bitesize/articles/zn7vrqt Click the link or go to BBC Bitesize - Y4 - French

<u>Maths</u>

1) Do Wednesday's Bronze daily 5 questions.

2) Check out this week's home learning on White Rose.

https://whiterosemaths.com/homelearning/year-4/

If it's too challenging, try Y3.

On the Y4 page, click on the video on lesson 2 'Divide 1-digit by 10' or look at the power point on the class page.

3) Start the task sheet 'Divide 1-digit by 10'.

Do p.1 and leave the rest until tomorrow.

Thursday 11th June

<u>Maths</u>

1) Do Thursday's Bronze daily 5 questions.

2) Continue as much as you can with the **worksheet 'Divide 1-digit** by 10'. Check through the answers.

Next Monday, we will look at dividing 1- or 2-digits by 100.

<u>Writing</u>

Write a menu for a sea creature! What would a shark have for its lunch? Research what your particular sea creature would eat, and create a menu on a spare piece of paper. If you like, send me a picture through email!

<u>Blue Abyss Topic Task</u>

Try the fun Under the Sea word search! (On the class page).

Friday 12th June

<u>Art</u>

Sea creature colouring!! There are some sea creature related colouring sheets. You can print them out if you are able and colour them in or just copy them.

Maths/Spelling Punctuation and Grammar (SPAG)

Do Friday's Bronze daily 5 questions.

Log on to TT Rockstars for 20 minutes (at least).

Check out the 2Do list activities on Purple Mash

Have you completed most of the activities on the list? Mrs Southworth and I always enjoy seeing your work.
