

Week beg: 22.06.2020 activities

Go for a walk around Glossop and go on a hunt to find human features. Give your child a copy of the [Human features hunt](#) sheet to help them. Explain that they should use the spotting sheet to answer the question 'What human features do we have in our local area?' Encourage the children to take photographs and use the correct vocabulary to name the features they see. For example, church, shop or bridge. Back at home, look at the photographs, talk about the features seen and discuss why they are important to the community.

Watch Go Jettters Series 1: 3. Stonehenge, England to learn all about this fascinating landmark.

Look at the 'London Landmarks PDF' to learn more about some of the famous landmarks in London.

Look at the 'Great fire of London PDF' to learn all about this historical event.

Have a go at sequencing the events of 'The Great Fire of London' using the sequencing cards/pictures.

Have a go at The Great Fire of London Quiz to see if you can remember what happened.

Log on to Purple mash and complete the 2dos that I have set.

Go onto Oxford owl and read 2 books from your book band (or the band above)

Practise lots of phonics and letter formation. Play on phonics games (Phonics play is a good website, use phonics apps, use the flash cards I've uploaded, watch Alphablocks, use chalk outside to practise writing your letters and sounds.)
