

Week beg: 08.06.2020 activities

Log on to Purple mash and complete the 2dos that I have set.  
<https://www.purplemash.com/sch/stjamesk13>  
 Email me for your log in details if you can't find them in your red homework book.

Go onto Oxford owl and read 2 books from your book band (or the band above)  
<https://www.oxfordowl.co.uk/>  
 Username: sunflowersy1  
 Password: StJames (make sure you put a capital S and J as it is case sensitive).

If you've been lucky enough to be able to see any family or friends (from a safe distance) since the changes on Monday have a go at writing a couple of sentences telling me who've you've been able to see and how it made you feel.  
 E.g  
 Today I got to see my Grandma in her garden. It made me feel really happy.

Plant a sunflower seed if you can and watch it grow, alternatively watch this youtube video to watch a sunflower grow from a tiny seed into a beautiful sunflower

Look at the pdf called 'sunflower life cycle' to learn all about the life cycle of a sunflower as well as some interesting facts about them.

Have a go at completing the sunflower life cycle activity. You can use the template that I've uploaded. If you can't print it out, create your own life cycle by drawing pictures of the process.

<https://www.youtube.com/watch?v=dKo5lvvtvWw&t=17s>

Read or watch a reading of the picture book 'Katie and the sunflowers' to learn all about the sunflower painting by Vincent Van Gough.

Have a go at making a sunflower fork painting. See the instructions document of how to make one.

Have a go at making a recycled bird feeder for your garden or for an outdoor space.
