

Y4 spelling word search!

<https://thewordsearch.com/maker/>

Made on this website. Ask an adult to help you if you're unsure!

You have to have a title, description and choose (at least) ten words. You can then find the words online, or click on the image (saving it to your computer). Then, paste it on to a word document.

Here's my example. Have a go at this! However, try and have a go at your own as they are fun to do!!
