

# Ordering Numbers With Up To 3 Decimal Places (1)

I can order decimals with up to 2 decimal places.

Order the following decimal numbers from smallest to largest.

1.            0.61                      0.58                      0.42                      0.2                      0.81

--	--	--	--	--

2.            0.57                      0.29                      0.14                      0.48                      0.26

--	--	--	--	--

3.            0.67                      0.09                      0.7                      0.28                      0.81

--	--	--	--	--

4.            0.03                      0.86                      0.49                      0.71                      0.94

--	--	--	--	--

5.            0.37                      0.59                      0.53                      0.15                      0.05

--	--	--	--	--

6.            0.82                      0.53                      0.06                      0.44                      0.16

--	--	--	--	--

7.            0.14                      0.27                      0.4                      0.9                      0.35

--	--	--	--	--

8.            0.06                      0.51                      0.05                      0.77                      0.54

--	--	--	--	--

9.            0.75                      0.03                      0.45                      0.56                      0.77

--	--	--	--	--

10.            0.96                      0.05                      0.36                      0.1                      0.93

--	--	--	--	--
