

Hello Poppy Class

Hello, how are you?

I hope you are all keeping well and still smiling. Thank you so much for emailing some lovely messages and photographs. It has been so nice to see your smiley faces 😊 Well done to those children who are completing the '2Do' tasks on Purple Mash. It is so nice to see your work!

This weekend is Father's Day! If we were in school, we would make a card for the special man in your life. It could be your dad, grandad, uncle or older cousin. It is a bit tricky at home because you may not have the craft bits and pieces we have in school, but you could make a nice picture or a homemade card using paper and pens. I have attached some Father's Day craft activities you may like to try.

I have also attached a daily routine board, to be used at home. Some children are struggling with the change in routine and I thought it might help if you had a daily timetable. You can cut out the activities and use blu-tak to stick them in the correct places. These can then be used on different days.

Please don't hesitate to email myself or Mr Woodward, if you have any questions or concerns you'd like to share. We are still here to support you and your children.

Remember... keep reading, working a little, being active and doing something fun everyday!

I hope to see you all soon.
Take care and keep smiling 😊
Love From
Mrs Fletcher
