

Thursday 11th June

Go for a walk (this could be any day that is best for you)

Today we would like you to go for a walk and look for bees and any other mini beasts that you can find. We would like you to draw a sketch map of the route you take and where you any bees or mini beasts. Remember to add a key to your map and any interesting features on your route such as landmarks, buildings, woodland, rivers and bridges. We have done quite a few sketch maps this year, so you should be able to really impress your parents with your map drawing skills!
