

Wednesday 10<sup>th</sup> June

Have you got any stories about mini beasts at home? Read a mini beast story or listen to a story on you tube. If you search mini beast stories in you tube, there are lots to choose from.

Watch and listen to 'Mad about Minibeasts'.

We would like you to choose one of the mini beast poems and learn it by heart. You will need to pause the video on your favourite poem. Read it several times and begin to learn the poem. Now that you have learnt the poem we would like you to perform the poem to an audience. You might choose to add actions or props to your performance! If it's possible, we would love to see your performance!
