

Week beg: 13.07.2020 activities

Write a list of all the fun things you have done this year at school or during home learning. What was your favourite things? Going to the zoo? Creating your own planets? Being insect detectives? Being part of the Christmas play? Doing cool science experiments?

Complete the 'All about me' activity and send it to me so I can send it on to your new teacher. (See template)

Can you draw a picture of a happy memory you have of this year? Or even just a picture of you and your friends.

Have a go at the 'Where am I in the world?' booklet to learn more about planet earth and where we live. (See booklet).

Ask a family member if you can have a look at all of the different coins that we have in England and learn their value, these coins are special to the UK and look different to coins from other countries. If you don't have any coins watch this video to help you

See letter for instructions.

Practise lots of phonics and letter formation. Play on phonics games (Phonics play is a good website, use phonics apps, use the flash cards I uploaded on week 15.06.20, watch Alphablocks, use chalk outside to practise writing your letters and sounds.)
