

Final weekly letter/Summer activities

Hello my amazing Y4s!

Can you believe we are in the final week of term? A lot has happened since many of us last saw each other. I hope you, and your families, are well. Thank you for all of the lovely emails.

I have been working with Reception to Y5 pupils (in a Key Worker Bubble) this week with Mrs Rimmer! We have had lots of fun.

I have set this week's activities out as a list (instead of days). I have also included 5 Bronze challenges for the class page, as well as a Silver challenge for Friday. I have been so pleased that some of you have been trying Silver...sometimes Gold! If possible, keep going with any online learning you can do. Most importantly, have fun the best you can over summer.

I have LOVED teaching you this year (even if it was for a shorter time than we originally thought). Keep continuing to shine! I will still have chance to chat to you when we are back in school and together again.

Love, Miss W xxx

Here are some activities to try...

Maths

- Daily Bronze challenges.
- A Silver Friday challenge.
- Keep logging on to TT Rockstars.
- Review this week's learning on White Rose (where you can find helpful videos). It's all about **Symmetry/position on a grid**. This also all links in with BBC Bitesize.

<https://whiterosemaths.com/homelearning/year-4/>

- **See the class page for 4 activities**

Y4 - Week 12 - Worksheets

Y4 - Week 12 - Answers

Too tricky?

Top Marks have some brilliant online resources to practise your skills.

<https://www.topmarks.co.uk/Search.aspx?q=symmetry>

BBC Bitesize also has some great links.

<https://www.bbc.co.uk/bitesize/topics/z2dgrwx>

Position and Direction

<https://www.bbc.co.uk/bitesize/topics/zgthvcw>

Co-ordinates

English/Blue Abyss Topic

- Please continue to revise all of the spellings we have previously given (at your own pace).

- Look at the **Blue Abyss home learning ideas (mini project) sheet** on the previous week's class page (if you haven't already).
- Great Barrier Reef reading comprehension activity
<https://mrnussbaum.com/great-barrier-reef-reading-comprehension-online>
- Create your own under-the-sea habitat! We have used shoeboxes/old delivery at school.
<https://www.firstpalette.com/craft/coral-reef-diorama.html>
- Try the **Summer Writing Challenge** (on the class page).
- Make sure you have worked through the **2Do list activities on Purple Mash!**
- **Need extra reading books?** Ask an adult to sign up to Oxford Owl online for free! Move up bands if needed.

Finally...

Thank you for all of your hard work! Keep believing in yourselves as much as I do! You have been a wonderful class, and I know you will go on to do great things.
