

Friday 10th July

The grand opening!

Today we would like you to make your restaurant. This could be out of lego, junk models or any toys you have at home. Maybe your teddies would like to join you! You might even decide to make a real restaurant and cook something from off the menu for your family to enjoy. Remember to always ask a grown up before you start making.

We hope that you have fun making your restaurant and as always, we would love to see what you have done.
