

Hello my lovely sunflowers,

I hope you are all well and staying safe.

I've had some lovely reports back from staff who are in school about those of you who are in and they are very impressed with how well you are doing and coping in these strange circumstances.

I can't believe it is July already. I hope some of you have been able to visit some family this weekend now we can go and visit people in their homes again.

It looks like it's going to be another sunny week this week so make sure you stay safe, have lots of sun cream on and drink lots and lots of water.

Keep your emails coming, it's so lovely to hear from you, keep up the hard work!

Continue to use Oxford Owl for your reading and the Oak National academy to support your learning in a variety of subjects, especially for Maths.

Oak National Academy: <https://www.thenational.academy/online-classroom/year-1/maths#subjects>

I hope to see you all soon but for the time being, stay safe and keeping smiling!

Missing you all so much!

Lots of love and hugs, Mrs Heys xxxx
