## Be Creative

This week we are going to be focussing on a different area of the curriculum each day. Today is going to be Art and DT.

We have learnt many new skills this year and have developed the techniques we already know. We use lots of different materials to make pieces of art and enjoy expressing ourselves in different ways. Today we would like you to create a piece of art. This can be made out of any material including paint, pencil, playdough, Lego, natural materials such as leaves and sticks, or anything you have at home. When you have finished making your masterpiece, take a photo and give your piece of work a name.

Here are some ideas

make a picture using lots of different media.

What can you make out of dough? Or can you make an animal out of Lego?
