

02.07.20 Thursday

Hello my Honeysuckles,

I can't believe it is July!! It is so long since we've been together.

I have been busy at school working with some Y6s for the second week.

Thank you for e mailing me your super work. Still continue to email if you have any questions, would like to share your work or just to say hello.

honeysuckle@st-james.derbyshire.sch.uk

Activities for Next Week Summer 11 week beginning 06.07.20

These are some suggestions for next week:

- **Reading** - Please keep reading - books, magazines, dictionaries, atlases, etc (in fact anything that you're interested in) Could you try to read something related to our topic? Thank you for those of you who have written to me and told me about the books you've been reading.
- **Comprehension activity** see attached activity on <http://mrnuusbaum.com/starfish-reading-comprehension-online>  
This is a great online resource.

## Topic Tasks

Continue to Look at the ideas for home sheet attached and see if you can complete a mini project over the next 3 weeks until the end of term.

- **Research strange deep sea creatures. Click on the link below**  
<https://kids.nationalgeographic.com/explore/wacky-weekend/freaky-sea-creatures/>

**Create a new and original monster of the deep, using what you have learnt about the deep sea!**

**Think about**

- **The size of the animal**
- **its size, features and prey**
- **how it protects itself from predators**

**This can be done as a powerpoint as a poster or as a word document. If you can send me your work.**

- **Topic activities on purple mash**

I have added a 2do on purple mash that you can have a go at.

1. Naming the world's oceans. Can you remember and label the world's oceans on the map?
2. Oil Slick News. Look at <https://www.geographyinthenews.org.uk/issues/issue-5/ks3-the-bp-oil-spill-ks2-the-bp-oil-spill/ks2/>  
<https://sciencing.com/oil-spill-information-kids-5444185.html>  
[https://kids.kiddle.co/Oil\\_spill](https://kids.kiddle.co/Oil_spill)  
Can you write your own newspaper report about an oil spill.? Think about what happened, when, where, why and the impact on the environment.

- **Maths - look at <https://whiterosemaths.com/homelearning>**

White Rose have some fantastic learning which fit directly into what we would be doing at school. If you need a challenge try the year 5 work.

I have attached the year 4 and 5 worksheets for this week with answers included

There are more activities linked with the objectives on bbc bitesize.

Keep practising your timetables with ttockstars and try

[www.corbettmathsprimary.com/5-a-day](http://www.corbettmathsprimary.com/5-a-day) Find the day and try bronze, silver or gold according to how much challenge you'd like!

Try Top Marks to practise your maths skills

<https://www.topmarks.co.uk/maths-games/7-11-years/shape-position-and-movement>

<https://www.topmarks.co.uk/Search.aspx?q=angles>

**Oak academy** have some good maths lessons and activities daily that you might like to try. <https://www.thenational.academy/online-classroom/year-4/#subjects>

- **Spelling** - if you have your spelling journals at home keep practising the words from your personal lists stuck in your books.

There are some more spellings to practise on purple mash (see your 2dos) I will also attach a copy on to the class page. Summer 2 wk 6 Please make sure you know the meanings of the words and write sentences with the spelling words in.

There are 4 quizzes this week and 4 practise sheets because it's nearing the end of term.

SPAG - go to <https://mrnussbaum.com/starfish-sentence-surgeons>

You need to mark a piece of writing. The online versions show the numbers and types of errors. As you check the answers, you can see how many of each type of error still need to be corrected.

- **Art - Create a starfish.** Use bubble wrap (dipped in paint) to print on some card. Cut out the card into a starfish shape. (five armed starfish are the most common but there are species with up to 50!)
- **Music** - go to <https://www.outoftheark.co.uk/ootam-at-home/> to sing along to some fun songs or [www.derbyshiremusicclub.org.uk/get-involved/music-at-home/junior/week-14.aspx](http://www.derbyshiremusicclub.org.uk/get-involved/music-at-home/junior/week-14.aspx)

There are some great music activities here.

### **Extras**

\*If you'd like to try even more English work go to

<https://www.thenational.academy/online-classroom/year-4/english/#subjects> for some good English online lessons or for year 5 go to

<https://www.thenational.academy/online-classroom/year-5/english/#subjects>

for online lessons.

Finally:

Watch a show linked to our brilliant topic Blue Abyss

<https://www.bbc.co.uk/cbbc/show/deadly-60>

Watch deadly 60 for some great under-the-sea themed clips.

As always, don't forget to stay happy, be kind and have fun.

Although it has been lovely to see some of you at school over the last couple of weeks, I'm still missing all of you as our honeysuckle class.

I will write again next week.

Mrs Collins.
