

Tuesday 14th July

Be a scientist

Today we would like you to be a scientist. There are lots of different experiments you can try at home but always remember to ask your parents for permission before you try anything.

Here are some ideas

Travelling water

<https://www.youtube.com/watch?v=9EUfVlon6t8>

Activity. Arrange the Skittles in a single row coloured pattern around the edge of the plate. Pour over enough warm water to cover all the Skittles and the plate itself. Watch and wait as a rainbow appears on the plate, the colours will move towards the middle and create a whirl of colour.

Growing Gummy Bears.
