

Tuesday 7th July

Today we would like you to imagine what your restaurant will look like and draw a plan. Use your ideas from yesterday and remember to include a key.

We would also like you to design and make a sign for your restaurant. First, you will need to think of a name for your restaurant. Rainforest café, Paul's perfect pizza's, mermaid madness or Minecraft café are just a few ideas.

Keep your sign to use later in the week. You will need it for the grand opening!
