

A Snapshot of our week

Here is a snapshot of some of the activities we will be doing in Nursery this week. This plan may not contain all of the activities the children are involved in as some of the learning happens spontaneously, following the children's lead. I know some children are still learning at home so as always, if you have any questions or need anything please don't hesitate to email me on the class email: snowdrop@st-james.derbyshire.sch.uk
