

What will you choose to do?

- Make a sketchbook to use at home, using as many different types of paper as you can find.
- Visit a local gallery to see what exhibitions are showing, take your sketchbook and make notes about the things you see.
- Find out about other artists from the past by searching for examples in art books loaned from the local library.
- Practise drawing from observation. Choose a range of interesting objects to depict drawing pattern, shape and form.
- Make an abstract sculpture in the style of the Dada artists. Explain your work to an adult and take a digital image so you can share it with others at school.
- Make a collection of natural objects mixing their subtle colours and details in a natural collage. Use a magnifying glass to help you look at the smaller areas of colour and pattern. Items might include flowers, leaves, stones and pebbles, shells and tree bark.
- Collect any old tester paint pots and make a large-scale abstract painting on the back of a roll of old wallpaper! Hint: Don't do this straight on your walls at home, or your grown-ups will NOT be amused!
