We are excited to welcome to you to our class and are very much looking forward to September. We are already busy planning exciting lessons and planning our first WOW day!

Our class will be the 'blue room' which is the middle room in the Key Stage One building. You will come into class through the door which opens onto the main playground and leave via this door at the end of the day.

Please remember to bring your book back with your reading book and water in a water bottle every day! You will also need to bring your coat and we will let you know which day to come to school in your PE kit.

Our first topic is called 'Movers and shakers'. We are going to have our 'WOW' day on Monday 13<sup>th</sup> September and have planned a history walk within the local area. More details to follow in September. This project teaches children about historically significant people who have had a major impact on the world. They will learn to use timelines, stories and historical sources to find out about the people featured and use historical models to explore their significance.

Have a lovely summer holiday and we look forward to seeing you in September.
