

A Snapshot of our week

Here are some ideas and activities that we would have been doing in nursery this week. In nursery we do lots of play based learning and follow the children's interests and lead to develop and extend their play. For the next few weeks our theme is based around construction, buildings and demolition! I have tried to adapt the activities around the toys and resources you might have at home. If you have any questions or need anything please don't hesitate to email me on the class email: snowdrop@st-james.derbyshire.sch.uk

<ul style="list-style-type: none"> We will be settling the children back into Nursery and will also be welcoming some new friends each day. We will be drawing and painting self portraits this week! We will be talking about our special features and which colours we should use. We will be learning lots of school rules and what we are allowed to do. 	<ul style="list-style-type: none"> We will be reading lots of stories this week and finding out which stories children like. This will help our planning over the next few weeks. We will be talking about our routine at school to ensure the children feel comfortable and know what to expect next in the school day. 	<ul style="list-style-type: none"> We will be exploring our new surroundings and learning what our bodies can do. We have lots of balancing equipment and have the trikes, bikes and scooters every day! We will be learning to put our coats on ourselves and beginning to learn how to zip them up. We will be learning how to wash our hands and making this part of our morning routine.
Literacy	Maths	Things to know!
<ul style="list-style-type: none"> Phase 1 Phonic sessions – We have phonics sessions each day and will be starting with lots of singing and action rhymes! We will be signing our selves in in the morning by finding our name cards and placing them on the school board. We will be encouraging the children to look for the first letter of their name. 	<ul style="list-style-type: none"> In a few weeks we will be starting Colour, Shape and then Number of the week! This week we will be seeing if we can spot any numbers or shapes in our environment and talking about what we can see. 	<ul style="list-style-type: none"> Please email a family photograph as well as an individual photo of your child. Please label all clothing, coats and shoes. Your child will need a spare bag of clothes to keep at school on their pegs. We ask if you can send in a pair of wellies which will stay at school. We have lots of spare wellies in school which can be allocated to a child if required. Please ask!
