

## Honeysuckles snapshot of the week

Here is a snapshot of some of the activities we have completed in our class this week. This snapshot may not contain all of the activities the children have been involved in. If you have any questions or need anything, please don't hesitate to email us on the class email – [honeysuckle@st-james.derbyshire.sch.uk](mailto:honeysuckle@st-james.derbyshire.sch.uk)

Topic: Ancient Civilisations	Week commencing: 6.9.21
Class book: The children have listened to a range of stories and poems this week.	

<p><b>English</b></p> <p>This week our English has been based on the book Weslandia. The children made predictions about the story and have been enjoying learning about the character of Wesley. They have written letters to Wesley giving him advice and have written a diary entry as Wesley. We are all excited to see how the story will unfold!</p>	<p><b>Maths</b></p> <p>We have started the term by learning about place value of numbers up to 1000 and putting the numbers on a number line. We have also been rounding numbers to the nearest 10.</p>
<p><b>Other subjects</b></p> <p>The children have enjoyed their RE and German lesson with Mrs Purdy this week, and they have also enjoyed being taught by Mr Skuse at the start of the week. They loved their Art lesson when they created some brilliant Egyptian faces with pencil and chalk.</p>	<p><b>Any other information</b></p> <p>As I have only been teaching the class for 2 days the children may not have a reading book to take home yet. They definitely will next week.</p> <p>It is our Wow day on Monday and we are dressing up as Ancient Egyptians. I can't wait to see your costumes! If you really don't want to dress up you can come to school in your PE kit.</p>
<p><b>Star of the week: Harvey</b></p> <p><b>Christian Value Award:</b></p>
