

## A Snapshot of our week

Here are some ideas and activities that we would have been doing in nursery this week. In nursery we do lots of play based learning and follow the children's interests and lead to develop and extend their play. For the next few weeks our theme is based around construction, buildings and demolition! I have tried to adapt the activities around the toys and resources you might have at home. If you have any questions or need anything please don't hesitate to email me on the class email: [snowdrop@st-james.derbyshire.sch.uk](mailto:snowdrop@st-james.derbyshire.sch.uk)
