

TANZANIA (UK) TRUST

Registered Charity No. 1133490

On our 'Wow' day, we were visited by Ruth Chorley from the Tanzania (UK) Trust. We were very excited to see her because we have been writing to the children at 'Wisdom School' in Dodoma for over a year.

We have sent them our old school uniforms, made them friendship bracelets and Christmas decorations.

In January, Ruth and representatives from her church and charity went to visit the health centre there and the school. Ruth showed us fantastic photos and video messages from the children.

First Ruth showed us how the children carry water to their houses and mix their food using a huge pestle and mortar. She showed the beautiful fabrics and dressed up our teachers in Tanzanian dress (over the top of our 'Wow' day costumes). Ruth taught us a song in Swahili and showed us the sticks used for cleaning teeth and vitamin and mineral sticks to chew.

Thank you so much for visiting us Ruth!
