

Our School Caravan

We have kindly been donated a caravan by Glossop Caravans. Over the upcoming weeks we will be renovating the interior to create a wonderful space for the children to use during the school day and at lunch times. We want to create a reading area, relaxing space and a drawing zone.

If you are able to help by donating any of the following we would be very grateful.

- Unopened white emulsion paint
- Paintbrushes
- Plain coloured beanbags – neutral colours
- 2x bar stools
- Bed canopy for cosy area
- Plywood (approx. 1mx2m) x3
- Wood batons approx. 2.5 metres long

Please speak to either Mrs Thornley and Miss Harbut if you think you can help.

Thank you
